Andrews Federal Assists Military Families at Joint Base Andrews Fisher House

Suitland, MD (April 20, 2017) – Andrews Federal Credit Union once again partnered with the Armed Forces Financial Network (AFFN) to present \$5,000 in gift cards distributed to families living at the Fisher House. The funds help defray travel costs and other much needed necessities associated with military members daily living expenses.

“It is an honor to give back to those who give so much to ensure our freedoms,” said Jim Hayes, Andrews Federal President & CEO. “Andrews Federal is always happy to contribute to this worthy cause to assist our service members and their families in any way possible.”

For wounded warriors transitioning from war zones or those receiving treatment for other illnesses, the gift cards are a welcomed resource for families while their loved one is getting medical treatment. Fisher House serves as a home-away-from-home for our military heroes by providing a calm and caring atmosphere where families can gain support and encouragement from each other.
