Curren Named President of Joint Base Andrews Fisher House Board

Suitland, MD (July 25, 2018): Andrews Federal Credit Union’s Suzanne Curren, Chief of Staff, has been named President of the Joint Base Andrews Fisher House™ Board of Directors.

Suzanne previously held the Board Secretary position for approximately five years and has served as a board member for more than eight years. Her experience as a former military spouse, along with her background in marketing, financial education and project management, made her a natural fit for her current role with the organization.

“I am proud of the work that our local Fisher House has done in the Joint Base Andrews community over the years and I am excited to take on this new responsibility with the organization,” stated Curren. “Working with this wonderful organization is one way that I can give back to the Joint Base Andrews Community, and our service men and women.”
