

## Did you know – February 2017

---

For faster and convenient payment processing to your Andrews loans, transfer funds from a checking or savings account to the loan. The option is available in Online Banking, our mobile banking app or Telephone Banking.

Payments are made through these services by transferring funds from a checking or savings account to the credit card or by transferring to the mortgage loan.

### Online Banking

- Select the **Transfer** option
- Choose the Transfer from account and Loan from the drop down menu
